Prerequisites: This course is not available to Sergeants in (P) status. This course is also available to DoD Civilians. The minimum time in service (TIS) remaining requirement for Active Army soldiers is 11 months and 12 months for the Army Reserve. Prior to departure from home station, soldiers are required to re-enlist or extend their term of enlistment in order to meet the time in service remaining requirement. Soldiers reporting to the AMEDDC&S not meeting this requirement will not be enrolled for training. Enlisted women who are pregnant must be processed IAW AR 635-200.

SPECIAL INFORMATION: Reserve Component soldiers will arrive at Fort Sam Houston with the following items MPRJ 201 file, Medical Record, Dental Record and complete basic clothing issue, to include running shoes. Active Army soldiers must request training by submitting a DA Form 4187 to PERSCOM. A copy of their ERB and letters of recommendation should be included in their packet. ALL REQUEST FOR WAIVERS MUST BE SUBMITTED TO: CDR, AMEDD C&S, AMEDD Personnel Proponent Directorate, ATTN: MCCA-DE, 1400 E. Grayson Street, Fort Sam Houston, TX 78234-5052.

COURSE SCOPE

Phase 1 (6 weeks) is conducted at the AMEDDC&S, Fort Sam Houston, Texas. Phase 2 (7 weeks) is conducted at designated military treatment facilities. The total length of the course is 13 weeks. Phase 1 covers anatomy and physiology of ear, nose and throat (ENT), pathological conditions; ENT equipment; diagnostic and audio metric testing; hearing conservation; sterilization of supplies and equipment; pharmacology; assisting medical doctors; administration; minor surgery; medical emergencies; and history-taking. Phase 2 is on-the-job training in a clinical setting at a medical treatment facility. Soldiers will be awarded ASI P2 upon completion of this course and may apply for National Certification in Occupational Hearing Conservation.
