

### RACH INCREASES CAPACITY FOR RETIREES

Reynolds Hospital is once again opening enrollment to Retirees. Beneficiaries who are retired and **under the age of 65 years old** now have the option to choose a Primary Care Manager (PCM) at RACH.

Those patients who are currently enrolled to a network PCM in the Lawton Community can now transfer their enrollment to a RACH PCM. Requests for new TRICARE Prime enrollment and PCM changes will be accepted at the TRICARE Service Center (TSC) Mondays through Fridays from 0730 to 1630 hours.

The TSC is located at the south entrance of RACH. Please note that this capacity is for the TRICARE Prime eligible patients only, **not for patients aged 65 and older who are eligible for TRICARE For Life.**

For questions please call 558-3161 or 558-2483.

**RACH is pleased to offer this opportunity to our beneficiaries!**
