WARRIOR TRANSITION UNIT

Incoming Cadre Member
Warrior Transition Unit
Fort Hood, TX 76544

Dear Soldier,

As the Battalion Commander of the Warrior Transition Unit (WTU), I want to welcome you and your family to Greater Fort Hood and the WTU. As a cadre member your mission is to assist those Soldiers who are in the process of healing. Though challenging at times, you'll find your mission will be personally and professionally rewarding

The Warrior Creed is

"I am a Warrior In Transition. My job is to heal as I transition back to duty or continue serving the nation as a veteran in my community. This is not a status, but a mission. I will succeed in this mission because I am a warrior and I am Army Strong."

The mission of the WTU is to provide Command and Control (C2) for each service member who has suffered an injury or illness while serving as a member of the U.S. Army; ensuring the service member receives the appropriate medical care, and administrative support and or required, in order for them to fully return unit or their Community, and most of all to their Families in a Timely Manner.
